Client Termination/ Close-out Policy

NHP seeks to be an ongoing resource for clients of housing counseling services. Housing counseling includes Pre-purchase, Post-purchase/non-default, and Mortgage Delinquency. In some circumstances, a client may be terminated under the following conditions:

- (1) The client meets his or her housing need or resolves the housing problem; e.g.
 - a) Pre-Purchase: purchases a home
 - b) Mortgage Delinquency: reaches an outcome with the lender
- (2) The agency determines that further housing counseling will not meet the client's housing need or resolve the client's housing problem;
- (3) The agency attempts to, but is unable to, locate the client;
- (4) The client does not follow the agreed-upon action plan;
- (5) The client otherwise terminates housing counseling;
- (6) The client fails to appear for 2 or more housing counseling appointments.
- (7) The client threatens or exhibits abusive conduct toward counselor(s) and/or NHP staff.

General guideline: Client files seasoned 6 months (based on intake date) will be reviewed monthly to determine if close out/termination is warranted for any of the above conditions. A letter will be mailed to client asking for a response within ten (10) days to keep their file active. Client file will be documented and database status changed to "inactive", if no response is received. A file status will be changed to "completed" if client has meet goal (such as home purchase or loan modification). Clients will be welcome to re-activate file at any time for additional counseling.
